Handling Information

Directions for Use

To avoid suffocation, keep this product out of the reach of babies & small children When cooking in a microwave do not wrap food directly in the film. For best results place film over container or dish, folding back a corner to allow steam to escape. Do not use in conventional or combination ovens or microwave browning units. Suitable for covering & wrapping all foods except for pure fat & oil or foods served in an oily medium. For use with Wrapmaster 4500 and Duo dispensers.

Storage Instructions

Store in cool, dry conditions (15°C-20°C) away from direct sunlight. Do not store next to/close to items with strong odours
